G. Brückmann

Academic CV (April 23, 2026)

Academic Employment & Affiliations

Current

Since 10/2021 **University of Bern**
Postdoctoral researcher at the *Institute of Political Science*, affiliated with the *Oeschger Centre for Climate Change Research* (OCCR). Working in the research consortia SWEET EDGE (Enabling Decentralized renewable GEneration in the Swiss cities, midlands, and the Alps), SWEET SURE (SUstainable and Resilient Energy for Switzerland) mostly with survey and behavioural data, and SWEET COSI (Co-Evolution and Coordinated Simulation of the Swiss Energy System and Swiss Society), funded by the Swiss Federal Office of Energy, SFOE.

04 - 05/2026 **University of Mannheim**
Visiting Fellowship at the *Mannheim Centre for European Social Research (MZES)*.

Previous

09 - 12/2023 **London School of Economics and Political Science (LSE)**
Visiting Fellowship at the Department of *Social Policy* & *Grantham* Research Institute on Climate Change and the Environment.

10/2017 - 09/2021 **ETH Zurich**
Researcher and PhD candidate at the *International Political Economy and Environmental Politics* group & the *Institute of Science, Technology and Policy*.

Completed Education

2017 – 2021 **Dr. sc. ETH**, ETH Zurich, Switzerland
Thesis: *Electric vehicle adoption and acceptance*
Supervisor: Prof. Dr. Thomas Bernauer
Committee: Prof. Dr. Isabelle Stadelmann-Steffen, Prof. Dr. Kay W. Axhausen

2014 – 2017 **Master of Science International Economics and Policy Consulting**, University of Magdeburg, Germany
Thesis: *An Econometric Analysis of the Effect of Political Contributions from the Oil Industry on Votes at the US Congress*

2015 – 2016 University of Nice Sophia Antipolis, Erasmus Scholarship, Nice, France

2010 – 2013 **Bachelor of Science Economics**, Ludwig-Maximilians University (LMU), Munich, Germany

2012 – 2013 Stockholm University, Erasmus Scholarship, Stockholm, Sweden

2010 Abitur, Roßleben, Germany

List of Publications

Articles published in peer-reviewed journals

12. Brückmann, G., & Stadelmann-Steffen, I. (2026a). Policy goal communication increases support for ambitious renewable energy policies. *PLOS Climate*, *5*(2), e0000823. DOI.

Book chapters, PhD thesis & recent reports

- Brückmann, G., & Bernauer, T. (2024). *Who owns an electric car? Insights from surveys of battery-electric vehicle (BEV) and non-BEV holders in Switzerland.* Data publication. `DOI`.
- Brückmann, G. (2023). Distributional Impacts. In V. Piano (Ed.), *Contributions to the energy research debate from the Swiss Social Sciences and Humanities Energy Research Group (3rd Workshop).* lulu. `Link`.
- Brückmann, G., & Bernauer, T. (2017, 2018, 2019, 2020, 2021). *Annual and final reports on 'Fostering the transition towards more fuel-efficient cars' project.* SFOE. Aramis `link`.
- Wicki, M., Brückmann, G., Quoss, F., & Bernauer, T. (2021). *Hemmnisse und Massnahmen beim Kauf von Elektrofahrzeugen: Schlussbericht zum Themenbereich Haushalte der Energieforschung Stadt Zürich* (ISTP Paper Series No. 6). ETH Zurich. `DOI`.
- Brückmann, G. (2021). *Electric vehicle adoption and acceptance* (Doctoral dissertation, ETH Zurich). `DOI`.

Working papers & work-in-progress

- Brückmann, G., & Stadelmann-Steffen, I. (2026b). *To abstain or not to abstain from binary choice in conjoint experiments.* In preparation. `SocArXiv` preprint.
- Brückmann, G., El-Ajou, W., & Stadelmann-Steffen, I. (2026). *When citizens and researchers learn from a serious game – An experiment combining serious gaming and survey research.* In preparation. `SocArXiv` preprint.
- Brückmann, G., Torné, A., Trutnevyte, E., & Stadelmann-Steffen, I. (2026). *Redistribution is unlikely to overcome distributional concerns about regulatory climate policies in the residential sector.* In preparation. `SocArXiv` preprint.
- Brückmann, G. (2026). *The Effect of Global Environmental Justice on Climate Policy Preferences.* In preparation. Pre-registration on `OSF`.
- Brückmann, G., & Belmont, P. (2025). *Individual inaction resulting from new forms of 'soft' climate denial.* In preparation. Pre-registration on `OSF`.
- Simpson, T., Jones, S., Moreira, E., El-Ajou, W., Brückmann, G., Martinez Oltra, B., Krause, R., Multerer, M., & Stadelmann-Steffen, I. (2026). *Ensured Energy: How a Serious Game can Reach and Engage Diverse Societal Groups in Swiss Energy Transition.* Revised version sumbitted. `ArXiv` preprint. Serious game `online`.
- Torné, A., Brückmann, G., Stadelmann-Steffen, I., & Trutnevyte, E. (2026). *Individual affectedness and fairness perception in housing decarbonisation policies - a conjoint experiment informed by techno-economic models.* In preparation. Pre-registration on `OSF`.

List of Academic Presentations

Conference & academic workshop presentations

2026 **SPSA** (Swiss Political Science Association Annual Congress), Disentis Energy Research Talks, Annual Meeting **DVPW** (German Political Science Association) *Methods of Political Science* Research Section, In_equality Conference.

2025 **SPSA** (as presenter and panel organiser), **ALPOP**, MZES-**DVPW** *Methods of Political Science*, **PolMeth Europe**, **EPG** (Environmental Politics and Governance) survey workshop, **3SHE** (Swiss Social Science and Humanities Energy) Workshop, **ISNBS** Symposium, **International Political Economy** Research Section DVPW Early Career Researcher Workshop "Publishing International Political Economy", EPSA (accepted), EMPA Urban Futures Symposium (accepted).

2024 **SPSA**, **APSA** (American Political Science Association) **Virtual Research Meeting** (as presenter and panel organiser), **3SHE** Workshop, **EPSA** (European Political Science Association Annual Congress), **E4EE** (Workshop on Experimental Economics for the Environment).

2023 **SPSA**, **EPCS** (European Public Choice Society), **EPSA**, **3SHE** Workshop (as organiser and presenter), **Dreiländertagung** (as presenter and panel organiser).

2022 **SPSA**, **PolMeth Europe**, two **3SHE** workshops (lead organiser), **EPSA**, **EPG** online.

2021 **SPSA**, **OSWEET** (Online Summer Workshop in Environment, Energy, and Transportation).

2020 EMEE, SPSA (both accepted, not participated due to injury). **PSA ECN** (Political Studies Association, Early Career Network).

2019 **IAEE** (International Association of Energy Economics) International Conference, **EPSA**, **AIEE** (Italian affiliate of IAEE) Energy Symposium.

Invited talks & seminar presentations

2026 Frauenhofer ISI, Karlsruhe, Germany.

2025 University of Bern, Oeschger Centre for Climate Change Research, Climate & Society Cluster.

2025 University of Konstanz, Department of Politics and Public Administration, Center for Data and Methods Colloquium.

2024 ECPR Methodology Section – ECR Virtual Seminar Series on Survey Research.

2023 London School of Economics and Political Science, Social Policy Research Seminar.

2023 University of Lausanne & EPFL CLIMACT (Center for Climate Impact and Action) Seminar.

2023 SWEET EDGE Biennial Conference, Bern.

2021 UC Davis, California, Institute of Transportation Studies, Plug-in Hybrid and Electric Vehicle Research Center, Seminar.

2021 University of Bath, Environment, Transport, and Sustainability (EnTS) Research.

2021 Z-PESS (Zurich Political Economy Seminar Series).

Teaching & Supervision

(Note: $\mathbb{B}$ denotes teaching for Bachelor's students, $\mathbb{M}$ for Master's students, and $\mathbb{P}$ for PhD students. The course language was English unless **G** *indicates courses in German.)*

Own semester-long teaching

2024, 2026 **Lecture** *The Art of Causal Inference* $^{(\mathbb{B}\&\mathbb{M},\mathbf{G})}$, University of Bern. Syllabus `link`.

Since 2022 (annually) **Seminar** *Energy and Mobility Policies for Decarbonisation* $^{(\mathbb{M})}$, University of Bern. Syllabus `link`.

Co-teaching & guest lectures

2024 **Guest lecture** *Renewable Energy Acceptance using Causality and Data Science* in Domain Experience: Data analytics for energy systems and IOT $^{(\mathbb{M})}$
Organiser: P. Schütz, Lucerne University of Applied Sciences and Arts.

2023 **Lectures** *Political Economy of Climate Change* $^{(\mathbb{M}\&\mathbb{P})}$
Organiser: V. Koubi, University of Bern.

2023 **Guest lecture** *Acceptance of Electric Vehicle Policies* in Topics on Advanced Transport Engineering $^{(\mathbb{M})}$ Organiser: Namibia University of Science & Technology.

2022 **Guest lecture** *Climate Change Policy and Electric Vehicles in Europe* in Climate Physics Seminar $^{(\mathbb{B}\&\mathbb{M})}$ Organiser: Weber State University, Ogden, Utah.

2021 **Seminar** *Battery-electric vehicle adoption and RCTs* in Frontiers in Energy Research $^{(\mathbb{P})}$ Organiser: Energy Science Centre, ETH Zurich.

2021 **Lecture** *Sustainable Development* in *Political Economy* $^{(\mathbb{M}\&\mathbb{P})}$
Organiser: Organised with V. Koubi & D. Kolcava, ETH Zurich.

2020 **Lecture** *Experimental Political Science* in Proseminar 2 $^{(\mathbb{B}\&\mathbb{M},\mathbf{G})}$
Organisers: D. Presberger, F. Quoß, ETH Zurich.

2018, 2019 **Tutorial** *Empirical Social Science Research Methods* $^{(\mathbb{B},\mathbf{G})}$
Organiser: L. Rudolph, ETH Zurich.

2018, 2019 **Seminar** *The Mobility Challenge* in IDEA League Challenge programme $^{(\mathbb{B}\&\mathbb{M})}$
Organiser: T. Bernauer, ETH Zurich.

2012 **Tutorial** *Mathematical Methods in Economics* $^{(\mathbb{B},\mathbf{G})}$, LMU Munich.

Supervision, mentoring & examination

2024 **Pre-doc examination** (committee member), Renewable Energy Systems, Organiser: Prof. Dr. Evelina Trutnevyte, University of Geneva.

Since 2023 **Mentoring** of first-time conference attendees for EPSA & EPSS

Since 2021 **Mentoring** PhD students at the Institute of Political Science and the Oeschger Centre for Climate Change Research, University of Bern.

2021 **Supervision of Master's thesis** *Electric charging behaviour – Understanding the trilemma of willingness to pay, the value of time and source of energy in the context of public charging stations in the German part of Switzerland*, ETH Zurich.

2020 **Supervision of Master's thesis** *The role of charging infrastructure to the mainstream adoption of battery electric vehicles (BEVs)*, ETH Zurich.

Funding & Grants received ($\sum$ CHF 59,500)

2026 **University of Mannheim** *in-kind grant* for the MZES visiting fellowship (≈ CHF 1,850 CHF).

2026 **Konstanz University** *travel grant* for the Konstanz In_Equality Conference (≈ CHF 450).

2025 **Goethe University** *travel grant* for the "Publishing International Political Economy" Workshop (≈ CHF 187).

2025 **University of Bern** *in-kind grant* for a research assistant for 8 months awarded by the Faculty of Business, Economics and Social Sciences, *competitive funding scheme for young researchers with outstanding scientific qualifications*(≈ CHF 17,500).

2025 **MZES** *travel grant* for the MZES-DVPW Conference "Methods of Political Science" (≈ CHF 250).

2024 **University of Bern** *in-kind grant* for a teaching assistant for the fall 2024 Master's seminar, awarded by the *eCoaches for digital skills in teaching* programme (≈ CHF 11,500).

2023 **Berne University Research Foundation** *travel grant* for research stay at London School of Economics and Political Science (CHF 3,398).

2023 **Swiss Academy of Social Sciences and Humanities** *travel grant* for Dreiländertagung, Linz, Austria (CHF 500).

2023 **UniBE Short Travel Grants for (Post)Docs** *travel grant* for research stay at London School of Economics and Political Science (CHF 7,000).

2022 **Swiss Academy of Social Sciences and Humanities** *project funding* for Swiss Social Science and Humanities Energy Research Group (CHF 7,000).

2022 **Swiss Office of Energy (SFOE)** *project funding* for Swiss Social Science and Humanities Energy Research Group Workshops (CHF 5,000).

2022 **Fund for the Promotion of Young Researchers** *project funding* for Swiss Social Science and Humanities Energy Research Group Workshops, jointly received with R. Sträter and J. Schmid (CHF 5,000).

Services to the Academic Community

Academic self-governance & organizational responsibilities

Since 2026 Guest Editor at *PLOS Climate*

2025, 2016 *Election committee* for the election of a spokesperson, DVPW's Methods Section

Since 2025 *EPSS* (European Political Science Society) *Diversity Committee*

Since 2025 *Roadmap Climate 2030*, Faculty of Business, Economics and Social Sciences, University of Bern

Since 2024 *Policy & Politics* Early Career Researcher (ECR) *Editorial Advisory Board* member

Since 2023 Mentor for first-time conference attendees (EPSA's LGBTQ+ mentoring scheme)

Since 2023 AG Queer UniBe (University of Bern's LGBTQIA+ employee network)

Since 2022 Head of the selection panel *Fund for the Promotion of Early Career Researchers*, member *Commission for the Promotion of Early Career Researchers & Quality Assurance and Development* (deputy), University of Bern

Since 2021	Founder of *Swiss Social Science and Humanities Energy Research Group* (3SHE)
2017 - 2021	*Master in Science, Technology and Policy (MSc ETH STP) Commission*, ETH Zurich
2011 - 2012	*Senate*, LMU Munich

Recent peer-review activities

Academic journals	Applied Economics, Climate Policy, Energy Economics, Energy Policy, Energy Research & Social Science (ERSS), Environmental Politics, Environmental Research Letters (ERL), European Journal of Political Research (EJPR), Joule, Nature Energy, PLOS Climate, Public Opinion Quarterly (POQ), Scientific Reports, The Journal of Politics (JOP), The Review of International Organizations (RoIO), Transportation, Transportation Research Part D: Transport & Environment.
Grant proposals	*Fund for the Promotion of Early Career Researchers*, University of Bern

Membership in professional networks

CSSN (Climate Social Science Network), **ECPR** (European Consortium for Political Research) Standing groups on Environmental Politics, Political Methodology, Political Economy and Welfare State Politics, Energy Politics, Policy, and Governance, **EPG** (Environmental Politics and Governance), **EPSS** (European Political Science Society), **ISNBS**, **saguf**(Swiss Academic Society for Environmental Research and Ecology), **SwissRN** (Swiss Reproducibility Network), **SPSA** (Swiss Political Science Association), Swiss Social Science & Humanities Energy Research Group (**3SHE**).

Recent Outreach Activities

2025	Radio interview with *Radio Energy*
2025	Demonstration at *Night of Research* (*Nacht der Forschung*), University of Bern
2025	Publication of serious game *Ensured Energy*
2025	Radio interviews with *Radio RaBe*
2025	Background interviews for *SRF, Kassensturtz* (TV)
2024	TV interview for *SRF, 10vor10*
2023, 2024	Public presentation & pub quiz *Does the energy transition need policies?* for *Energy Drinks*, Zurich & Bern
2024	Interview for *The Guardian*
2023	Interviews for *The Guardian* and *energia*
2023	Public presentation *Acceptance and effectiveness of policies promoting electric mobility* at *Pint of Science*, Bern
2023	Expert input & discussion with students at Gymnasium Oberaargau, organised by *Centre for Development and Environment (CDE)*, University of Bern
2022	Panellist on *Climate and Energy* for *ETH meets NZZ*
2022	Presentation & meet-a-scientist at *Night of Research* (*Nacht der Forschung*), University of Bern
2022	Expert input on *Climate Protection in Mobility and Buildings* at *Citizens panel* Thalwil, organised by *Centre for Democracy Studies Aarau*

Selected Previous Positions

2017	Institute for Transport Planning and Systems, ETH Zurich, Prof. Dr. K. W. Axhausen, Zurich
2016	Max Planck Institute for Innovation and Competition, Department Innovation and Entrepreneurship Research, Prof. D. Harhoff, Ph.D., Munich
2015	German Council of Economic Experts, Labour Market, Wiesbaden
2014	BMW, Strategic Market and Concurrence Prognosis, Munich
2011 - 2013	Seminar for Empirical Economics, LMU, Prof. Dr. J. Winter, Munich

Selected Skills

Software	MS Office, LaTeX, R, Stata, git/github, Markdown, Qualtrics, HTML.
Languages	German (native), English (C2), French (B2), Swedish (A2), Castellano (A1)
